At Kitson Electricians Newcastle, we pride ourselves on delivering top-notch electrical services with a personal touch. Located at 6 Upfold Street, Mayfield, NSW 2304, we serve the vibrant Newcastle area, ensuring homes and businesses are powered safely and efficiently. Whether you're in need of urgent repairs, switchboard upgrades, or smart home installations, our team is ready to assist with professionalism and expertise.

Our services extend across residential, commercial, and industrial sectors, offering everything from rewiring older homes to setting up advanced automation systems.

We understand the importance of reliable electrical work, which is why our licensed

electricians are committed to providing solutions that are not only compliant with NSW standards but also tailored to your specific needs.

What sets us apart is our dedication to customer satisfaction. Our clients appreciate our competitive pricing, attention to detail, and the respectful demeanor of our team. As Shazz Williamson noted, our team is "professional, efficient, and reasonably priced," making us a pleasure to work with. We ensure every job site is left clean and tidy, as highlighted by Adriana Giusa, who praised our thorough cleanup and detailed communication.

For those in Newcastle and surrounding suburbs, Kitson Electricians Newcastle is your go-to for reliable, safe, and efficient electrical services. Contact us today at (04) 3826 2792 to experience the difference of working with a team that values quality and customer care above all else. Website:
